

WDSDTV email lists

The following email addresses can be used to send email to groups of staff in the Waterbury/Duxbury Schools.

The purpose of Staff e-mail lists is to communicate about school-related business. We respectfully request that there be no advertising or personal solicitation, regardless of the inherent value of the causes. Please use the (actual) staff bulletin boards in each school for any personal requests or non-school related materials. Likewise we ask that staff distribution lists not be used by any but school staff.

Note: For general staff lists (first section), there are three lists:
